I've got a house near the city centre now. Five people live there. There's me, of course. And there's Sarah. She's in her twenties, like me. She's slim and she's got long blonde hair. She's very friendly, but she is noisy. She talks loudly and she loves listening to loud music. Then, there's Robert. He's a student. He's in his teens. He is very good looking! He's got brown eyes and short, brown, curly hair. But he's very quiet and a little boring! Then, there's Jason. He's in his forties. He's really tall, he's fat and he's bald. He looks a little scary, but he isn't. Actually, he is really kind, and he is funny too. Last, there's Charlotte. She's about thirty. She's very thin and she's got long, straight, dark hair. She's clever and interesting, but she is very tidy and a little unfriendly with us because we aren't tidy. She is a little scary sometimes! But I am happy with my housemates.
