a.

b.

c.

3. Which living room is she describing?

5. Which dining room is he describing?

4. Which study is she describing?

TRANSCRIPTION

My bedroom has a big bed in front of the door. There are two bedside tables, one on each side of the bed. There is a large picture on the wall over the bed and a big rug under the bed. There is a desk under a window next to the door, with a computer and a lamp on it, and there's a chair in front of the desk. Next to the desk, there's a wardrobe with some drawers.

In my kitchen, there's a big fridge with a cupboard over it. Next to the fridge, there are some drawers and a cooker. There's a microwave next to the cooker between the cooker and the sink. Opposite the sink, there's a table with some chairs around it. We usually have dinner there. Over the sink, there is a shelf and some more cupboards.

I live with four other people, so my living room is big. There are some armchairs and coffee tables in front of a sofa. On the floor, there is a rug under one of the coffee tables. There are some pictures on the wall over the sofa, and there's a small bookshelf next to it. We have a small TV in front of a window, and there's another bookshelf beside the TV, behind an armchair.

My study is my favourite room in the house. I have a nice desk with drawers in front of the door. There isn't an armchair, but my chair is very comfortable. Next to the drawers, there is a beautiful plant, and there are two shelves above the plant. There is another shelf over the desk with some books and a clock. On the other side of the desk, there is a bookshelf with more drawers, and I have my computer and a lamp on the desk.

In the middle of my dining room, there is a table and chairs between two armchairs. There is a rug under the table, and next to it, there's a big window with curtains. On one of the walls, there are two big paintings over a chest of drawers. There are two lamps on this chest of drawers, and next to it, there's another chest of drawers with a plant on it. A small picture is on the wall over this second chest of drawers.

ANSWER KEY

1. a.
2. b.
3. b.
4. c.
5. b.
